We can set up the job codes for you in advance based on the codes for which you have provided data. If you would like to take up this option please select <u>YES</u> and, prior to advising you of your logon details, we will create your initial job code selection. This selection will be based on the codes for which you have provided data to the City Pay Survey.

Cost (to be added to your invoice): £1 per job code, minimum cost £50. You will still be able to add and delete jobs once you have been given your access details.
